### Buprenorphine X-Waiver Training - Last Chance

**WISAM will host the last x-waiver training of the 2021 series on Wednesday, July 14.** This course is FREE to all Wisconsin providers who are eligible to prescribe buprenorphine. Registration is required.

This series is designed to increase treatment capacity for opioid use disorders by training more prescribers to be able to treat opioid use disorders with buprenorphine. This live course has been approved by the Wisconsin Medical Examining Board as meeting the requirements for the two-hour continuing education course on responsible opioid prescribing per Med 13.03(3) of the Wisconsin Administrative Code.

## Public Policy Committee

WISAM is looking for individuals who are interested in becoming more involved in the Public Policy Committee. Our current Chair, Dr. Elizabeth Salisbury-Afshar, is ready to help lead a team with a keen interest in public policy matters around issues that affect addiction medicine, the practice of addiction medicine, and public policies that may impact the social determinant of health for our patients. Please **[contact us](#)** in order to get connected and learn more about the opportunities we have available to get involved.
